## 《Foreword》

When the fire of your life is an ember  
And the days of your youth have fled,  
You will never forget to remember  
As long as this book can be read.

We have put here the wonderful story  
In writing, in pictures, and song  
All things that brought us glory,  
Events that went right and went wrong.

Through whatever they have written or done;  
You will treasure their laughs and their rages  
In this book full of schoolday fun.

C. D. ALLEN, Superintendent

Dear Student,

The school year of 1948-49 has been a year filled with many joys, and with much achievement. It has been joyous to occupy our new building which is one of the best of its type in the state, and your achievements as a student body in learning how to live and work together is equally as great.

May I say to the Senior Class who has worked with so much diligence to publish this War Lance, that you have achieved almost all the things in your school-life that you have desired to have.

May your achievement in life be such that happiness and contentment will fill your many years.

Sincerely yours,

## HISTORY OF THE SENIOR CLASS of 1948-49

[illegible]

During the second grade we gained three students. They were Bobbie Lewter from Union Hill; Troy Miller, from Goodview, and Dorothy Jones from Prairie Chapel. Our second grade teacher was Mrs. Marguerite Riggs.

We moved to the second floor of the building for the third grade. Teddy Lee Williams had a friend named Alice W. and the two of them had a very close relationship. Our teacher was Mrs. Wm. M. M. M.

We were all very brilliant and skipped the fourth grade.

The fifth grade was the best grade of all. In my class, I might be assisted by William, or the other boys, or by Miss K. I never saw the other grades. Our good natured teacher was Miss Cathlene Gentle.

During the 18th year we were visited by Miss M. Farley, from Valley View, and Lucretia Peckers from Salem. This year we perceived that we were very neglected by the North West. We were visited twice, the sixth year by Mrs. Lucretia Simms.

We will always remember Texas History and trips to the office from the seventh grade. My very first teacher was Mrs. H. H. Burroughs. Our teacher for the year was Mrs. Neppie Burroughs.

As the snow disappeared, the cattle were, some of the girls, belonged to the  
post-office, and the boys went out for the day, to work. We had three new people  
come to our place. They were a family from the hills, Peter, Thompson from  
Green Valley, and a woman from the hills. We were again favored to have  
Mrs. Lorenson come to see us, and she was very kind to help us in the  
entire year.

We survived Freshman initiation with few scars. This year we were introduced to the school through A. L. Lee, Jr., the Freshman sponsor was Mrs. Hester, Mr. J. roughs.

We really got into the swing of things as we became Sophomores. Miss Caille Miller was our Sophomore speaker. The year was highlighted by a trip to Turner Falls. We had two visitors to our class during this year. They were, Cora Hild from Childress, and Melvin Chapman from Gainesville.

Our Junior year was filled with plans from the Junior and Senior Banquet. A great disappointment to us was the turning of the year. We had our Banquet at the Yacht Cafe, in Denton. We took a week-end trip to Worth Ranch in Palo Pinto County. We gained four members to our class, during this year. They were Charles Robinson and Whitesboro, John D. Enlow, Bill Walker and Merle Phillips. Our Junior sponsor was Mr. C. D. Allen.

We are now the traditional sophisticated seniors. The days and weeks fly by as we plan our activities. It is with mixed feeling of sorrow and joy, as we approach the end of our public school career. We are very hopeful and serious as we think of the years to come and the things we want to accomplish. We are grateful to all who have guided us through the years, especially Mr. Allen, our beloved senior sponsor; and hopeful that we may prove worthy of their training and their belief in us.

## CLASS PROPHECY OF 1949 SENIORS

Ten years have passed since the Senior Class of Nineteen Hundred and Forty-nine were sent into this wild and wicked world to seek a fortune. Some have married, some have not, some are rich, some are just living, but everyone seems to be very happy in the fortune they have found for themselves.

For some reason I desire to visit everyone and find out about the past and present. Here is what I have accomplished.

So where could be a better place to start than S. H. S.? I walked into the office and asked for Mr. ~~Bo~~lin, but the cute little office girl didn't seem to remember a ~~certain~~ ~~named~~ ~~Fort~~ ~~to~~. I asked who the coach was and she said, "Why I thought everyone knew that it was Mr. Lovell." I walked a nice looking man, who was ~~named~~ ~~that~~ J. R. Lovell. He is now married to Nancy Potter. He has ~~been~~ ~~is~~ a winning football team for five years.

I wanted to go see Miss Callie, where a woman a ~~but~~ ~~twenty-seven~~ greeted us with a smile. Why it is Marilyn Warschun. Marilyn has taken over all of the Business Department.

What is that space I stood? It must be Mrs. Lindley and her ~~home~~ ~~making~~ ~~girls~~ ~~company~~. Why that is not Mrs. Lindley. It is Bobbie Lewter now directing the department. ~~Some~~ ~~is~~ ~~says~~, "No student teachers over ~~in~~ ~~girls~~." Sanger is now the town of fine cooks.

I was walking down town and met a woman and three boys. Why it could be none other than Janette Fellers. She is now married to Johnnie Richardson and she says she really keeps busy cooking for Johnnie and the three boys.

It must be Saturday evening because here comes Joy Rippey Harris and a jeep full of kids for the drawing.

Austin will be my next stop. I want to see that nice-looking governor, Melvin ~~Conrad~~, who still says, "All politicians are liars, but not all liars are politicians."

Johnny Stricklin and his wife, Martha, are now with the Fing Farmer's Circus. They are known as, "The Stricks". All the children love to see the Strick clowns and their tricks.

What! A woman in the welding business? Why yes, it is Celia Baird Cobler striving for a living while Joe gets an education.

I walked down to the Railway station to get a ticket to New York. That is where I met Merle Phillips, now working for the Santa Fe office.

Peggy Thompson is working at Russell's now, while waiting for Gene to get his degree.

Gloria Horst Waide is now a private secretary to the president of Bell Telephone Company, because the president is now Wayman.

New York is wonderful. That is where I met Wanda Schertz Hollingsworth, now Broadway's famous model. She refuses to live on the farm with Holly.

Texas University is where I found the genius of the class, Patsy Rector. Pat is working on her degree and has gotten it every time her scholarship award. She refuses to pay anything.

Now is the time for a football game. Bill Walker is S. M. U.'s best player. Bill is what Doak could never be.

Why, who is that drum major marching out on the field? It could be no one but that famous Teddy Joe Wolfenbarger from S. H. S.

Look at this neat white house with a cute little mail box with Clariece and W. H. Hommons written on it. W. H. is now coach for Valley View, and Clariece is now teaching science.

This sign appears before my eyes. It says "Spratt and Son". Why Sammy must be married now, and he and his son are in business.

Charles R. Benson is now running a studio in California and is doing very well.  
He has all the beautiful girls around him.

John D. Enlow and Ollie McFarlan are now owners and operators of the radio  
and television of W. B. A. P.

Elizabeth Reed is now teaching school in her hometown in Kansas.

Dorothy Jones has her own telephone office and is still unmarried but wedding  
bells are ringing.

Troy Miller is now county agent for Denton County. Troy is still looking for  
a wife. Girls, he has a good job.

Mr. and Mrs. Allen have now retired on the teachers pension. Joy and Cloy  
were married and Jerry is running the women mad.

Seems that everyone is doing fine, and my mind is at ease because, I awoke  
to find that it was only a dream.

## SENIOR WILL

We, the seniors of Sanger High School, class of nineteen hundred and forty-nine, being of wicked minds and disposing souls, do hereby state and declare this to be our last Will and Testament.

To the teachers of the "Sanger Brat Academy," we leave our noisy classmates, with their high I. Q's.

To Mr. Allen we leave our love and affection, because he has been a wonderful sponsor. To Mrs. Lindley the Senior Girls leave their duties in Homemaking, hoping she can find someone to do them. To Mrs. Chastain we leave the memories of the class meetings we had in English. To Mr. McMurray the Senior Boys leave all the grass and bugs, hoping they will keep until someone else studies them. To Miss Charlie we leave good hopes for a better commercial department. We leave the privileges of running the school as he sees fit to Mr. Boldin. (After the Seniors leave.) To Mrs. Lockhart we will the right to have a winning Volley Ball team. To Mrs. Davis we leave our voices so that she may have a good choir someday. For all our student teachers we will good wishes and success in their future.

To the School Board and people of the community who have made it possible for us to be the first class to graduate from our beautiful new school building, we leave good will and happiness for the future.

It is with a feeling of regret that we do hereby bequeath to the Junior Class our rights to all good times and fun we had during our four years in High School and Mr. Boldin for your Senior Sponsor.

We, the graduating Seniors, do will and bequeath our talents to the Juniors, to use and develope to the best of their ability.

Gloria Faye (Horst) Waide wants Patsy Marie Ashcraft to be the first Senior girl to get married next year. Pat had better keep away from motorcycles.

W. H. (Peewee) Hammons says Max Davis can have all his extra girl friends.

Bobbie Lee Lewter will step down and give her seat on the Union Hill bus and all of Socker's fire crackers to Gladys.

To Joe B. Cobler, James Rector wills his rights of marriage, in case that he will only think of it.

Celia Ann Baird wants Martha Alma Ennis to have all she leaves behind at S. H. S. except Joe B. Cobler.

Patricia Ruth Rector wills her power to destroy New York to Dorothy Sue Stanford.

Sammy Spratt leaves his ability to attract the attention of the Pep Squad to Robert Wandle.

Wanda June (Schertz) Hollingsworth wills her little red motorcycle to Patsy Stricklin, hoping that someday she will get a ride.

To Freddie Jack Harvey, Anna Clarence Willis wills her babyish ways and a front row seat in Civics.

Elizabeth Rector wills her short hair to Waide Herd, since she doesn't have plenty and her short hair to Mary Hemadez.

Bill Walker says that he has nothing to will but he wants Waide Herd to have everything he leaves behind.

Peggie Jewel Thompson wills her fast speed in typing to Juanita Ruth Pircock.

Teddy Joe Wolfenbarger wills his hair-do's and a bottle of peroxide to Frank Blakely.

Jeanette Fellers leaves all her rights at home to Margaret, since she will be leaving.

Johnny Cleman Stricklin wills his seat in fourth year English, but not Martha, to Billy Jack Curtsinger.

Merle Mae Phillips wills her ability to get a different man every night to Estalene Penington.

Charles Robinson leaves his back seat in Civics and his black wavey hair to Billy Jack Higgs.

Dorothy Louise Jones wants Jerrie Cooper to have her short hair and her ability to run the switch board.

Mevin Chapman wishes to leave his height and ability to play basketball to Bobby Jim Klines. Better start growing Bob.

Marilyn Louise Warshun wills her affection for blond headed men and her drivers licenses to Peggy Jean Perry.

Idelia Joy Rippey leaves her love for school (but not her love for Lewis), to Verna Joy Moseley.

Troy Phillip Miller, Jr. wants Roy Wayne Harper to have his love and affection for Poland China Pigs.

John D. Enlow leaves his high feelings to Wayne Linehan.

Ollis McFarlin leaves the student teachers to Lester Marshall.

To the silly Soph's we leave our manners and good will.

To the slimy Fish we leave our dignity and hope for success.

To everyone we leave good luck, good will and happiness Forever!!!

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are proud of the part we have had in preserving "treasured memories" in 949 Annuals for more than 1100 Colleges and High Schools in seventeen States.
